

## Directions to Atkinson Hall from the Residence Inn

- Upon exiting the R.I., head North towards the UCSD campus along Gilman Dr.
- Once you arrive at Library Walk (Library Walk is a walking path that is approximately 200 feet after Mandeville Lane and 200 feet before Myers Dr.), turn Left (heading North again) and follow Library Walk to the end (You will see Geisel Library in front of you).
- Continue on Library Walk until you pass the Price Center on your right, and are right in front of the Library
- At this point, head East for 200 feet. You will reach a construction site, at which point you should turn left, heading NorthEast for another 300 feet. Now head East, with the Library directly behind you for 300 feet, with the Engineering Building 1 in your left. Enter the Jacobs School of Engineering Courtyard between the Engineering Building 3 and the BioEngineering Building on your left. There is a large stone statue resembling a bear, and Atkinson Hall will be directly in front of you.
